

**BUG REMOVER CONCENTRATE**

Bug Remover Concentrate is a highly effective cleaner designed to loosen and remove insects and insect stains from windshields, lights, chrome and painted surfaces. It is completely safe and will not harm paint, chrome or rubber.

DIRECTIONS:

Service Station Wash Tanks - add 20 - 25 ml/litre of water (3 - 4 oz/gallon). Apply solution to windshield with either a sprayer or a sponge, scrub surface and remove residue with a squeegee.

Vehicle Pre-Spray - add 20 - 25 ml/litre of water (3 - 4 oz/gallon). Apply solution to windshield and vehicle surface with either a sprayer or a sponge, scrub surface and remove residue with a pressure washer

Windshield Washer Reservoirs - add 60 ml (2 oz) to a full reservoir of water. (Be sure to empty before freezing weather in the fall.) Bugs will soften up and be removed after 2 or 3 wash cycles.

Do not allow to dry on surfaces.
